Awards Philosophy:

While the American Advertising Awards competition honors the best local creative work, the Greater San Francisco Media Awards focuses on media outlets and agencies which provide overall quality and service to the Greater San Francisco community both in quality of work and in service to the community. Equal consideration will be given to those outlets which serve the entire Greater San Francisco area as those who serve a smaller portion of the community. The quality of work and service within whatever area is served is what will be judged so that larger outlets and smaller outlets can compete on an even basis. Awards to honor work and activities from July 1 of the previous year through June 30 of the current year.

Awards Boundaries:

This competition covers media and agencies based anywhere in the following counties: San Francisco, San Mateo, Alameda, Marin, Contra Costa, Solano, Napa and Sonoma.

Eligibility:

Company Awards will be awarded to companies based within the boundaries listed above which cover all or part of the Greater San Francisco area. Companies located outside the boundaries are eligible only if they have a media outlet that focuses on the Greater San Francisco area (such as a local newspaper, radio station, television station or website devoted to Greater San Francisco) or if they have a recurring section (in the case of a newspaper) devoted to Greater San Francisco or a local bureau (in the case of radio or television) that exclusively covers Greater San Francisco.

Individual Awards will be awarded to individuals who cover Greater San Francisco, regardless of where they are based as long as Greater San Francisco is their primary beat and the distribution occurs within Greater San Francisco.

Student Awards are for those outlets or students that cover either their school or the broader Greater San Francisco area or their local community. Those outlets (such as student newspapers, radio stations, television stations --other than broadcast television--, internet sites, blogs) do not necessarily have to be sanctioned or approved by the school. Student Awards are intended for those who attend a Greater San Francisco college full-time and the media outlet does not have paid employees (other than those who sell advertising). While advisors may be involved, the majority of day-to-day editorial decisions must be made by students and not advisors.

The term "media outlet" in this competition includes radio stations (online or broadcast) television stations (online, cable or broadcast), newspapers, magazines, websites, blogs and podcasts. Websites for radio stations, television stations, newspapers or magazines should be entered as a website and are considered separate from the media outlet, itself.

Nominating Process:

Nominations may be made by anyone via the Greater San Francisco Ad Club Website (www.Greatersf.org). Self-nominations are encouraged. There will be no charge to nominate. Nominations will include three to five questions about the nominee. Certain categories may allow uploads as examples.

Judges will be Radio, Television, Print and Internet Professionals located outside Greater San Francisco. A minimum of five judges will be selected. Judges will score each answer on a 1-5 scale. Judging will be completed on-line. After judging, scores will be added to determine finalists and winners.

Presentation:

Each category will have three to five finalists announced, based on the top scores. The gala will be a formal dinner and awards presentation. The winners will be announced “Academy Awards” style, announcing the nominees and then the winner. As each nominee is announced, what they accomplished to become a finalist will be mentioned.
