RULES & CATEGORIES 2020–2021

AA AMERICAN ADVERTISING FEDERATION

PLEASE NOTE THIS CHANGE FOR 2020-2021 ONLY:

Due to ongoing concerns about COVID-19, the American Advertising Awards competition rules, categories and entry procedures for 2020-2021 have been modified to allow for the possibility of remote online judging.

In some categories, entrants will be allowed and/or required to upload additional digital examples of an entry. This is intended to provide more appropriate content for the judges, should a virtual judging solution be necessary.

You will still be required to provide physical samples of your print entries (delivered to the address stated in this document) as has always been required. In addition, you have always been required to provide an uploaded picture of your entry to be used at the gala. This year, in anticipation of remote online judging, we request that you upload a PDF of the entire document of multi-page entries, or several photos (or a short video) of your entry if that will best display your entry for the judges.

For most categories, there has been no change from prior competition years.

Please carefully follow all online submission guidelines provided within the entry system, in order to ensure that your work is properly represented during all three tiers of the American Advertising Awards competition.

Please note that online judging and these modifications are approved for THIS YEAR ONLY.

About the American Advertising Awards Greater San Francisco Ad Club Student Division

The mission of the American Advertising Awards Student Division competition is to recognize and reward creative excellence in the art of advertising.

Conducted annually by the American Advertising Federation (AAF), the Greater San Francisco Ad Club American Advertising Awards Student Division is the first of a three-tier, national competition. Concurrently, all across the country, local student entrants vie for recognition as the very best in their markets. At the second tier, local student winners compete with other student winners in one of 15 district competitions. District student winners are then forwarded to the third —national—tier. Entry in your local Student competition is the first step toward winning a national Student ADDY Award.

Entering the Greater San Francisco Ad Club American Advertising Awards competition supports our entire industry, because the AAF and its local and district affiliates use the proceeds to enhance advertising through programs such as public service, internships, advocacy groups, advertising education, and consumer awareness.

Selection of the most creative entry is effected by a scoring process in which a panel of judges evaluates all creative dimensions of every entry. A Student GOLD ADDY Award is recognition of the highest level of creative excellence and is judged to be superior. Student entries that are also considered outstanding and worthy of recognition receive a Student SILVER ADDY Award. The number of awards given in each category is determined by the judges, based on the relative quality of work in that category.

The American Advertising Awards competition honors “The Creative Spirit of Advertising.” It is intended for “original” creative work. Therefore entries derived from or making use of previously created and/or published pieces by anyone other than the entrant are not permitted. Copyright infringement and/or plagiarism (be it intentional or unintentional) will result in the disqualification and, if applicable, removal of awards from any entry deemed in violation. All entry fees will be forfeited.

How to Enter

Visit GreaterSF.org. You will be directed to the competition site and login as a student entrant. Review the student category list to find where your work should compete, and follow the simple drop down menus to enter your information. Make sure you credit the members of your creative team, so that they will be recognized properly in press releases and other AAF winner publications. **Trophies are engraved based on information submitted at time of entry. Please make sure all fields are accurate.** Submission of entries acknowledges the right of the AAF to use them for publication, exhibition and marketing of the American Advertising Awards competition.

Deadlines

Deadline: January 22, 2021

Late Deadline: January 29, 2021

A late fee may be charged for any entry submitted after January 22, 2021

Please note: Comps, original photographs, illustrations, etc. all become the property of the AAF and will not be returned.

Any work created for the NSAC competition will be eligible for the next American Advertising Awards Student Division competition following the NSAC finals in June. For example, creative for the 2020 NSAC sponsor Adobe is now eligible for the 2020-2021 American Advertising Awards Student Division competition.
